information

informations to authors

If you wish to contribute with an article, here is the criteria that we need:

1. No longer than 3500 words - Full details of the author/s must be included (not included in word count mentioned!)

2. 6 diagrams, photos, drawings, etc will be published free of charge. All others will be charged for (Euro 20 per photo, diagram, etc.) These should be sent via email at articles@b5srl.com in b/w using jpg, tiff or eps format / 300 DPI minimum / zipped when possible; if not, an original is requested / dimensions of each is maximum 10 cm x 10 cm whenever possible.

3. References should be indicated in the text with Arabic numbers in parentheses which run consecutively through the manuscript. The references cited should then be grouped at the end of the manuscript in order of appearance in the text.

4. Articles should be sent via email at the following address - articles@b5srl.com using one of these programs:

- Word max version 2000
- Word Perfect max version 8
- DOS version - no MAC if possible.

5. Articles should be structured in such a way that there is not too much reference to specific products, technologies or companies. If this happens, then it will be considered a company profile / product focus and will be charged for (see special offer section for quotes).

6. The article should not have been published elsewhere or in the process of being published elsewhere.

7. Articles must be submitted at least 2 months before publication dates.
